BUSINESS PARKING PERMITS

[Note: This notice is about the removal of all the "pay and display" ticket machines in the Kennington, Poets Corner and Stockwell Controlled Parking Zones (CPZs). This will mean that the methods of paying to park in those CPZs (for non-permit holders) will be "pay by phone" or by making payment at an authorised PayPoint. This notice is also about up-dating the existing Orders that impose the parking places in those CPZs and in the Vassall CPZ and to formalise the all-zones business parking permits that are currently available.]

1. NOTICE IS HEREBY GIVEN that the Council of the London Borough of Lambeth on 1st May 2019 made the Lambeth (Kennington) (Parking Places) (No. 2) Order 2019, the Lambeth (Poets Corner) (Parking Places) (No. 1) Order 2019, the Lambeth (Stockwell) (Parking Places) (No. 2) Order 2019 and the Lambeth (Vassall "V") (Parking Places) (No. 2) Order 2019, under sections 45, 46, 49 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended. The Orders will come into force on 7th May 2019.

2. The general effect of the Orders will be to:-

(1) remove all the "pay and display" ticket machines in the vicinity of the on-street parking places in roads in the Kennington, Poets Corner and Stockwell Controlled Parking Zones, so that the method of paying the parking charge for the use of the parking places that those machines relate to will be by the "pay by phone" method or by making payment at a PayPoint in local shops and businesses; and

(2) up-date the traffic orders that designate the on-street parking places in the Kennington, Poets Corner, Stockwell and Vassall Controlled Parking Zones so that they better reflect the way those parking places currently operate. This will include formalising the all-zones business parking permits that currently allow eligible business users to park in any controlled parking zone in the London Borough of Lambeth (the charge for these permits will continue to be £1,612.80 for a permit lasting for 12 months).

[Note: When using the pay by phone or PayPoint method to pay the parking charge it will be necessary to follow the instructions on the traffic signs next to the parking place, quoting the unique number relating to that parking place to the service provider and providing information as requested. Payment of the parking charge will then be made using either (a) an acceptable debit or credit card when using pay by phone, or (b) cash, or an acceptable debit or credit card when using PayPoint. Details of how to find the nearest PayPoint location can be seen on www.Paypoint.com.]

3. The Orders are necessary because the retention of the pay and display machines is no longer viable for safety and environmental reasons and as the majority of users are now preferring to use the pay by phone system it is proposed to remove the pay and display machines to be cost effective and environmentally friendly. The removal of the machines will not entirely remove the ability to pay for parking by cash as this will still be possible at PayPoint locations. The up-dating of the existing Orders is an administrative exercise, necessary to take account of the many amendments that have been made over several years and to include the all-zones business permit currently being granted. There will be no changes to the way the controlled parking zones and permit systems currently operate because of this exercise.

4. If you have any enquiries about this matter, please telephone Thomas Burgess in the Council's Parking Services Team on 020 7926 6714 or email: TBurgess@lambeth.gov.uk.

5. A copy of each of the Orders and documents giving more details about them (including maps) are available for inspection from 9.30 am until 4.30 pm on Mondays to Fridays inclusive (except bank/public holidays) until the last day of a period of six weeks beginning with the date on which the Orders are made, at the offices of Lambeth Council's Highways and Enforcement Group (Environment and Growth), 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG. To arrange inspection please telephone 020 7926 0209 or email: bpoulter@lambeth.gov.uk.

6. If any person wishes to question the validity of the Orders or of any of their provisions on the grounds that it or they are not within the powers conferred by the Road Traffic Regulation Act 1984, or that any requirement of that Act or of any instrument made under that Act has not been complied with, that person may, within 6 weeks from the date on which the Orders are made, apply for the purpose to the High Court.

Dated 3rd May 2019
