

Harris Academy Beckenham– admissions consultation

The Governing Body of Harris Academy Beckenham are consulting on admission arrangements with effect from the 2021/22 year of entry.

The Governing Body are consulting on admissions arrangements for students applying for places for the academic year beginning in September 2021.

- We propose to introduce a priority category after siblings which will prioritise children of staff who have been employed at the Academy for a minimum of two years at which the application to the school is made and they spend more than 50% of their working week at the academy for which the application is made, and/or they are recruited to fill a vacant post for which there is a demonstrable skill shortage.
- A further priority category after staff which will prioritise children attending Harris Primary Academy Beckenham ahead of children from other schools (which are allocated on closest distance of home from Academy address).

More details of the consultation and how to submit comments can be found on the Academy website at

The consultation runs until November 12th 2019.
