

LONDON BOROUGH OF LAMBETH
PROPOSED ZEBRA PEDESTRIAN CROSSING IN
ROOKERY ROAD

[NOTE: This Notice is about a proposal to provide a new zebra pedestrian crossing in Rookery Road. Comments are invited - see paragraph 5.]

1. NOTICE IS HEREBY GIVEN that the Council of the London Borough of Lambeth proposes, under section 23 of the Road Traffic Regulation Act 1984, to provide a new zebra pedestrian crossing in that length of Rookery Road which lies between Long Road (A3) and Clapham Common South Side (A24), adjacent to the paths across the common that extend from Long Road to Windmill Drive. Zig-zag markings (on which vehicles are banned from stopping at any time) would be placed on the carriageway either side of the crossing.

2. The proposed zebra pedestrian crossing is necessary because of an anticipated increase in the number of pedestrians using Clapham Common and crossing Rookery Road, which is part of Cycleway 5. Lambeth's Cycleway 5 route is being upgraded at various locations, as part of the council's emergency Covid-19 transport response programme. The overall aims of the programme are to; reduce road danger and help residents to socially distance safely, boost safe and sustainable transport to support the borough's economic recovery, and improve air quality. The new crossing will improve safety for pedestrians by providing a new crossing in line with existing paths across Clapham Common.

3. If you have any enquiries about this matter, please telephone Jamila Barrett in the Council's Environment Team on 020 7926 3920 or email: healthyroutes@lambeth.gov.uk.

4. A map showing the location of the new zebra pedestrian crossing would usually be made available for inspection at the offices of Lambeth Council's Highways Team (Resident Services), 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG. However, owing to restrictions relating to the COVID-19 pandemic, this is not currently possible and a copy of the map is therefore available for inspection on line at: www.lambeth.gov.uk/traffic-management-orders. A copy of the map is also available on request, by email to: bpoulter@lambeth.gov.uk or by telephoning 020 7926 0209.

5. Any comments relating to the new zebra pedestrian crossing should be sent to Barbara Poulter, Highways Team (Resident Services), London Borough of Lambeth, PO Box 734, Winchester, SO23 5DG, by 14th August 2020 (emails sent to bpoulter@lambeth.gov.uk are acceptable). Any comments made may be communicated to, or be seen by, other persons who may have an interest in this matter.
