

LONDON BOROUGH OF LAMBETH
PROPOSED INTRODUCTION OF ROAD HUMPS IN
ROXBURGH ROAD

[NOTE: This Notice is about proposals to provide new cycle friendly “sinusoidal” road humps in Roxburgh Road, between its junction with Bewlys Road and its junction with Cheviot Road. Objections or other comments may be made – see paragraph 5.]

1. NOTICE IS HEREBY GIVEN that the Council of the London Borough of Lambeth proposes, under section 90A of the Highways Act 1980, to introduce road humps known as “sinusoidal” road humps in **Roxburgh Road**, at the following locations:

- (a) outside No. 25 and Nos. 30 and 32;
- (b) outside No. 48 and No. 53; and
- (c) outside No. 60 and No. 67.

[Each “sinusoidal” road hump would be a round-topped, elevated section of carriageway that is no more than 80 millimetres higher than the existing carriageway, and which extends across the full width of the carriageway from kerb to kerb and has a width of 3 metres.]

2. The road humps are necessary to improve safety by reducing traffic speeds. Sinusoidal road humps are cycle friendly and encourage smoother driving of vehicles with less pollution-inducing acceleration and deceleration.

3. If you have any enquiries about this matter, please email the Council’s Capital Delivery Team on rjordan@lambeth.gov.uk

4. A map showing the locations of the proposed road humps would usually be made available for inspection at: the offices of Lambeth Council’s Highways Team (Resident Services), 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG, until 12th March 2021. However, owing to restrictions relating to the COVID-19 pandemic, this is not currently possible and a copy of the map is therefore available for inspection online at: www.lambeth.gov.uk/traffic-management-orders, until that date. A copy of the map is also available on request, by email to: bpoulter@lambeth.gov.uk or by telephoning 020 7926 0209.

5. All objections and other representations relating to the proposed road humps must be made in writing and all objections must specify the grounds on which they are made and should be sent to Barbara Poulter, Highways Team (Resident Services), London Borough of Lambeth, PO Box 734, Winchester, SO23 5DG (emails sent to bpoulter@lambeth.gov.uk are acceptable), by **12th March 2021**. Any objection may be communicated to, or be seen by, other persons who may have an interest in this matter.

Dated 19th February 2021

Ben Stevens
Highway Network Manager
