LANE AND BELINDA ROAD

- (a) at certain times to temporarily ban vehicles from entering or proceeding in that length of Coldharbour Lane which lies between the north-eastern kerb-line of Shakespeare Road and its junction with Loughborough Road and Hinton Road, in a northerly direction; and
- (b) at certain other times to temporarily ban vehicles:-
 - (i) from entering or proceeding in the part of Coldharbour Lane referred to in paragraph 1(a) above in both directions; and
 - (ii) from entering Belinda Road.

2. Alternative routes for affected vehicles would be available (a) via either Coldharbour Lane and Effra Road or Brixton Water Lane and Effra Road, and then via Morval Road, Dalberg Road, Dulwich Road, Herne Hill, Herne Hill Road and Coldharbour Lane; and (b) via Coldharbour Lane, Herne Hill Road, Herne Hill, Dulwich Road, Brixton Water Lane, Effra Road, St Matthews Road, Brixton Hill and Coldharbour Lane. An alternative route for pedal cyclists would be available via Barrington Road, and the northbound bus lane on Herne Hill would be suspended between Poplar Walk and Herne Hill Road to ease traffic flow on the alternative route.

3. The road closures described above would only apply at such times and to such extent as shall be indicated by the placing of the appropriate traffic signs.

4. The Order would come into force on 8th May 2021 and it would continue for a maximum duration of 4 months (to allow for contingences) or until the works have been completed, whichever is the sooner. In practice it is anticipated that the road closure in a northerly direction as described in paragraph 1(a) above would apply for approximately 3 weeks (except at times when the full road closures apply) and the full road closures described in paragraph 1(b) above would apply from 10 pm on a Saturday until 6 am on the following Sunday at certain weekends and on the last weekend that the works take place it would also apply from 10 pm on Sunday until 6 am on the following Monday.
