4. The Order will come into force on 28th June 2021 and will continue for a maximum duration of 18 months or until the works have been completed, whichever is the sooner. In practice it is anticipated that the road closures and one-way traffic systems will only apply in phases as the works progress along the roads concerned and it is anticipated that all the works will be done over a 12 to 18-month period. Each street unit will be carried out in short phases of 3 to 5 days and will be coordinated to avoid diversions overlapping.
