

LONDON BOROUGH OF LAMBETH

PROPOSALS TO PROVIDE AND REMOVE DISABLED PERSONS' PARKING PLACES IN VARIOUS ROADS

[Note: This notice is about the removal of certain disabled persons' parking places where they are no longer required and the introduction of new disabled persons' parking places where they are needed. In controlled parking zones, this would involve (a) the introduction of new parking space where the disabled persons' parking places are removed; and (b) the removal of existing parking space to accommodate the new disabled persons' parking places. Objections or other comments may be made, see paragraph 6.]

2. The general effect of the Orders would be: -

- (1) to remove the disabled persons' parking places from the locations specified in Schedule 1 to this Notice;
- (2) to remove the disabled persons' parking places from the locations specified in Schedule 2 to this Notice and replace with at any time waiting restrictions (double yellow lines);
- (3) to introduce new disabled persons' parking places at the locations specified in Schedule 3 to this Notice (these parking places would operate at any time and be for the use of vehicles displaying a disabled person's "blue badge" only);
- (4) where the locations are in a controlled parking zone, to extend any parking space adjacent to the locations specified in Schedule 1 to this Notice so as to replace the disabled persons' parking places that would be removed, and to remove any existing parking space at the locations specified in Schedule 3 to this Notice so as to accommodate the new disabled persons' parking places.
- (5) to remove resident parking places on Ferndale Road outside Nos. 23 and 25, No. 65/67 and No. 90 and replace with at any time waiting restrictions in order to create passing places in the road.

(Note: In some cases, the disabled persons' parking places may already have been removed or provided informally. Where this is the case, the effect of the Orders would be to formalise that situation so as to reflect the parking controls that currently apply on the ground and enable enforcement to be carried out if necessary.)

3. The Orders are necessary to remove certain disabled persons' parking places where they are no longer required and to provide new disabled persons' parking places so as to improve parking facilities for disabled persons where they are needed.
