

LONDON BOROUGH OF LAMBETH
CONTINUATION OF A MANDATORY CYCLE LANE IN
THORNE ROAD, INITIALLY TRIALLED AS AN
EXPERIMENT CONTINUATION OF CYCLE LANE
PROVISION

[NOTE: This notice is about the mandatory cycle lane in part of Thorne Road, which has been in force by an experimental order but will now be continued indefinitely by the new order described below.]

1. NOTICE IS HEREBY GIVEN that the Council of the London Borough of Lambeth on 23rd February 2022 made the Lambeth (Cycle Lane) (No. 2) Traffic Order 2022 under sections 6 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended. The Order will come into force on 28th February 2022 and it will continue indefinitely the provisions of an experimental order that is currently in force.

2. The general effect of the Order will be to continue the mandatory cycle lane on the north side of Thorne Road, from a point 12 metres west of the western kerb-line of South Lambeth Road westwards for a distance of 15 metres. The cycle lane is physically segregated from the rest of the carriageway and all vehicles, except pedal cycles, are banned from being driven or ridden in the cycle lane at any time.

3. The Order is necessary because of an increase in the number of pedal cyclists travelling along the road which is part of Cycleway 5. Lambeth's Cycleway 5 route is being upgraded at various locations, as part of the Council's emergency Covid-19 transport response programme. The overall aims of the programme are to reduce road danger and help residents to socially distance safely, boost safe and sustainable transport to support the borough's economic recovery, and improve air quality. The new mandatory cycle lane in Thorne Road will improve safety for cyclists by highlighting the presence of the route to general traffic and providing a segregated area for cyclists to approach the junction.

4. If you have any enquiries about this matter, please telephone Jamila Barrett in the Council's Environment Team on 020 7926 3920 or email: healthyroutes@lambeth.gov.uk

5. A copy of each of the Orders and documents giving more details about them are available for inspection online at: www.lambeth.gov.uk/traffic-management-orders or from 9.30 am until 4.30 pm on Mondays to Fridays inclusive (except bank/public holidays) until the last day of a period of six weeks beginning with the date on which the Orders are made, at the offices of Lambeth Council's Highways Team, 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG. To arrange inspection please telephone 020 7926 0209 or email: Trafficorders@lambeth.gov.uk.

6. If any person wishes to question the validity of the Order or of any of its provisions on the grounds that it or they are not within the powers conferred by the Road Traffic Regulation Act 1984, or that any requirement of that Act or of any instrument made under that Act has not been complied with, that person may, within 6 weeks from the date on which the Order is made, apply for the purpose to the High Court.
