### PROPOSED STREATHAM HILL LOW TRAFFIC NEIGHBOURHOOD - AMESBURY AVENUE, DAYSBROOK ROAD, DOWNTON AVENUE, EMSWORTH STREET, FAYGATE ROAD, HILLSIDE ROAD, MOUNTTEARL GARDENS, MOUNT NOD ROAD, PALACE ROAD AND ROSEDENE AVENUE NO THROUGH ROADS AND AT ANY TIME WAITING RESTRICTIONS

[NOTE: This Notice is about proposals to ban motor vehicles from using the roads referred to below as through roads and to ban waiting by vehicles at any time in certain lengths of roads in the Streatham Hill Area. These measures have previously been trialled as part of an experiment and a decision has now been made to revoke any existing experimental orders that remain in force and to introduce the scheme as described below. Objections and representations may be made – see paragraph 6.]

1. NOTICE IS HEREBY GIVEN that the Council of the London Borough of Lambeth proposes to make the Lambeth (Prescribed Routes) (No. \*) Traffic Order 202\*, the Lambeth (Streatham Hill East "M") (Revocation) Order 202\* and the Lambeth (Waiting and Loading Restriction) (Amendment No. \*) Order 202\* under sections 6, 45, 46, 49 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended

2. The general effect of the Orders would be to:-

- (a) ban motor vehicles, except buses, from entering that part of Downton Avenue which lies between Hillside Road and the mini roundabout at the junction of Downton Avenue with Wavertree Road;
- (b) ban motor vehicles in Hillside Road from proceeding past its junction with the south side of Downton Avenue in either direction;
- (c) ban motor vehicles in Mount Nod Road from proceeding past the south-west side of Hailsham Avenue, in either direction (vehicles, except pedal cycles, will also be banned from turning right into Mount Nod Road from Hailsham Avenue);
- (d) ban motor vehicles in Palace Road from proceeding past its junction with the south-east side of Daysbrook Road in either direction (this includes banning the right turn by vehicles, except pedal cycles, from Daysbrook Road into Palace Road);
- (e) ban motor vehicles in Rosedene Avenue from entering Stockfield Road;
- (f) ban motor vehicles in Stockfield Road from entering Rosedene Avenue;
- (g) ban motor vehicles in Amesbury Avenue from proceeding past its junction with the east side of Emsworth Street in either direction (this includes banning the left turn by vehicles, except pedal cycles, from Emsworth Street into Amesbury Avenue);
- (h) close Faygate Road and Amesbury Avenue to through motor traffic by placing barriers across the junction of those roads (motor vehicles in the part of Faygate Road that lies north of Amesbury Avenue or the part of Amesbury Avenue that lies east of Faygate Road will be banned from entering the part of Faygate Road that lies south of Amesbury Avenue or the part of Amesbury Avenue that lies west of Faygate Road and motor vehicles in the part of Faygate Road that lies south of Amesbury Avenue or the part of Amesbury Avenue that lies west of Faygate Road will be banned from entering the part of Faygate Road that lies north of Amesbury Avenue or the part of Amesbury Avenue that lies east of Faygate Road);
- (i) ban waiting by vehicles at any time (indicated on the carriageway by double yellow lines) in the lengths of road described in the Schedule to Notice.

(Note: The above restrictions in relation to Mountearl Gardens, Mount Nod Road and Rosedene Avenue, are currently in force by virtue of experimental traffic orders made under sections 9 and 10 of the Road Traffic Regulation Act 1984. These experimental traffic orders will be revoked and residents of properties in (i) Hillside Road, Nos. 7 to 23 (odd numbers inclusive) and Nos. 26 to 118 (even numbers inclusive); (ii) Palace Road, Nos. 1 to 3 (odd numbers inclusive) and Nos. 6 to 18 (even numbers inclusive); and (iii) Tredwell Close, all properties, will no longer be eligible to apply for permits to park in the Streatham Hill East "M" Controlled Parking Zone as part of the experiment.)

3. The Orders are necessary to restrict, and thereby reduce, through motor traffic travelling through the roads within the Low Traffic Neighbourhood, to improve air quality, increase road safety for all road users and improve the amenity of the area, whilst retaining vehicular access for residents and local businesses. The introduction of double yellow lines is necessary to provide turning space for vehicles affected by the restrictions and improve sight lines.

4. If you have any enquiries about this matter, please email the Council's Low Traffic Neighbourhood inbox: [lowtrafficeighbourhoods@lambeth.gov.uk](mailto:lowtrafficeighbourhoods@lambeth.gov.uk).
