

## **Mission and Pastoral Measure 2011**

The Church Commissioners have prepared a draft Pastoral Church Buildings Scheme providing a legal mechanism for the church building of St Anselm, Kennington Cross, being a parish church of the parish of North Lambeth in the diocese of Southwark, to be passed in trust to the parochial church council (“the PCC”) of the parish. The building will remain available for public worship and will be licensed and designated as a parish centre of worship. The proposed Scheme enables the PCC to register and secure its investment in the re-ordered (and redeveloped) building whilst safeguarding the integrity of the whole building. You may access the draft Scheme on the Commissioners’ website at [www.churchofengland.org/consultation](http://www.churchofengland.org/consultation) or obtain or inspect a copy during normal office hours by applying to the Commissioners. You may make representations either for or against all or any part of the draft Scheme in writing to Rex Andrew, Pastoral Division, Church Commissioners, Church House, Great Smith Street, London, SW1P 3AZ or by email to [rex.andrew@churchofengland.org](mailto:rex.andrew@churchofengland.org) to reach him not later than 27 March 2023. Those making representations should indicate whether they would like an opportunity to speak to the Committee regarding their representations in the event the Commissioners decide a hearing should be held regarding the case.

For details of this process see [www.ccpastoral.org](http://www.ccpastoral.org) or phone Rex Andrew on 020 7898 1743.
