3. The Order provides that in pursuance of section 10(2) of the 1984 Act, the Council's Road Safety and Sustainable Transport Manager, or some person authorised by them, may, if it appears to them or that person essential in the interests of the expeditious, convenient and safe movement of traffic or for preserving or improving the amenities of the area through which any road affected by the Order extends, modify or suspend the Order or any provision thereof.

6. The Council will in due course consider whether the provisions of the Order should be continued in force indefinitely by means of a permanent Order made under section 6 of the 1984 Act. Any person may object to or make representations regarding the making of the permanent Order for the purpose of such indefinite continuation within a period of six months beginning with the date on which the experimental Order comes into force or, if the Order is varied by subsequent Order or modified pursuant to section 10(2) of the 1984 Act, beginning with the date on which the variation or modification or the latest variation or modification comes into force.
