2. The changes are necessary to provide secure parking space for residents who do not have the space and/or ability to park bicycles in their homes. Hangars aim to reduce theft, improve the street scene and encourage people to choose cycling as a safe and secure method of transport over the private car. The use of more sustainable modes of transport will also contribute to improved air quality in the borough in line with council cleaner air policies.

3. If you have any enquiries, please telephone Lambeth Council's Active Travel Team on 020 7926 8818 or email: cycleparking@lambeth.gov.uk quoting reference Phase 7 Cycle Hangars.
