Providing students with the master key to their future

Harris Boys' Academy is an incredible school where students make outstanding academic progress as well as becoming brilliant young men.

Through our Active Citizens traits: Confidence, Curiosity, Resilience, Respect and Ambition, we nurture each individual student to ensure they leave us with the master key to their future.

Education is the key to social mobility, and we passionately believe everyone should have the same life opportunities, regardless of their background.

Our academic outcomes place us consistently in the top five per cent of all schools nationally. Our wonderful teachers, students and parents all work collaboratively to ensure everyone achieves exceptionally well at our school.

No student is ever left behind at Harris Boys' Academy and our expertise in teaching boys is vital to our success. We are a small school, and every student is known as an individual and every student receives the same challenge, care and support from our school community. Students get amazing experiences and get to develop their character through our personal development programme,

highlights of which include more than 50 different weekly extra-curricular clubs, a thriving Duke of Edinburgh programme with nearly 200 students taking part and a wide range of awe inspiring trips including London Zoo, Sky Studios, the Houses of Parliament, Barclays Bank, the Globe Theatre, the Science Museum and many more.

These experiences are complimented by a thought-provoking and contextualised PSHE and RSE curriculum, delivered by highly-trained staff, to help build the whole package around the students.

If you are interested in learning more about Harris Boys' Academy East Dulwich, contact the school or come to one of our open events.

Trinity Academy: Committed to excellence

Trinity Academy stands as a paragon of holistic education, boasting a knowledge-rich curriculum that goes beyond traditional academics to encompass a diverse range of enrichment programmes.

As a proud member of the Future Academies Trust, Trinity Academy benefits from a network of schools committed to educational excellence and innovation.

This approach ensures that students not only excel in their studies but also develop a well-rounded character and a broad set of skills.

At the heart of Trinity Academy's educational philosophy is its rigorous and engaging

curriculum. Designed to challenge and inspire, the curriculum spans the full spectrum of academic disciplines, ensuring that students gain a deep understanding of core subjects.

This strong academic foundation is complemented by an emphasis on critical thinking, creativity, and problem-solving, preparing students for the complexities of the modern world.

Beyond the classroom, Trinity Academy offers an exceptional enrichment programme that includes a variety of activities both within the UK and abroad.

These experiences are integral to the academy's mission of fostering global awareness and cultural sensitivity.

Students have the opportunity to participate in international trips, providing them with firsthand exposure to different cultures and global issues.

Such experiences not only broaden their horizons but also instil a sense of responsibility and citizenship.

The academy's commitment to enrichment is also evident in its robust sports, arts, and cultural activities.

The sports programme encourages physical fitness and teamwork, offering a range of options from traditional team sports to individual athletic pursuits.

In the arts, students can explore their

creative talents through music, drama, and visual arts, supported by excellent facilities and dedicated staff.

Cultural activities further enhance the student experience, with events and clubs that celebrate diversity and promote inclusion.

Trinity Academy's holistic approach to education ensures that every student can discover and develop their unique talents and interests. By combining a strong academic curriculum with extensive enrichment opportunities, the academy prepares its students to become well-rounded, knowledgeable, and culturally aware individuals ready to make a positive impact on the world.

Graveney School is holding its Open Day for Year 7 pupils on Thursday, June 20 throughout the school day and in the evening from 5pm-8pm.

We will be offering the opportunity for families to have tours of the school, accompanied by our current students.

Further details regarding our Open Day and Evening are available on our website in the 'Admissions' section.

Graveney benefits from a beautiful, leafy campus, comprising 11 buildings, including a former Georgian stately home, a Victorian school building, several architecturally interesting blocks built in the 1960s, a prize-winning new block which opened in 2016 and a second new block was completed in September 2019 with 10 humanities classrooms and an observatory.

This second block was awarded the New London Architectural Award in 2020.

In 2023 87 per cent of Graveney pupils achieved a grade 4 or above in both English and mathematics, and an astonishing 52 per cent of all grades were 7-9.

In November 2022 Graveney achieved 'Outstanding' status in each of the six areas defined by the Ofsted Framework.

Graveney has been deemed 'Outstanding' by Ofsted six times. The school's overall

attainment score places it in the top 10 per cent of schools in the country.

Graveney's Year 7 pupils are drawn from a wide number of local schools, the vast majority of pupils living locally.

In addition to a rigorous academic curriculum, a wide range of sports, musical and cultural extra-curricular activities are offered to ensure that pupils are well rounded and encouraged to excel in a variety of different walks of life.

There is particular emphasis on outdoor education, the school is one of the largest Duke of Edinburgh centres in the country and all Year 7 Graveney pupils participate in a week-long trip to Wales. Both of these outdoor pursuits help students to build confidence, resilience and a tight-knit community within the school.

Graveney looks forward to welcoming you to the school's Year 7 Open Day, which will provide an excellent opportunity for prospective pupils and their parents to have a tour of the school's facilities, to visit subject departments and see our exciting approaches to teaching as well as to find out the answers to the many 'frequently asked questions' that we receive.

Further information regarding our Open Day is available on our website – go to www.graveney.org and click on 'Admission'.

Graveney's Open Day

Graveney School

Alleyn's: Bound to our communities

School profile: Alleyn's
Director of Partnerships: Ben Jones
All In Alleyn's: Fostering Opportunity and Community

Founded on the enduring principle of helping others, Alleyn's School has been committed to fostering opportunity since it was set up in 1619 by Edward Alleyn to fund the education of 12 scholars. Community is in our DNA – it's why we say there is an "All in Alleyn's."

Alleyn's community extends far beyond our school, and it is a source of immense pride that we are closely bound to and mutually reliant on the community of our local area.

We believe in opening up educational opportunities for all and true reciprocal partnerships.

An important part of our work together with the local community is the Alleyn's Academy. This weekly programme brings together our own pupils with more than 340 children from local secondary and primary schools for collaborative learning across five disciplines: sport, music, digital, science and history.

The purpose of the Alleyn's Academy is to inspire a joy of and a thirst for learning and to build confidence and trusting relationships over a number of months.

It brings particular benefit to Alleyn's students who work as mentors and alongside students from other schools.

The breadth and depth of our partnership offering,

Pictures: Alleyn's/Girls United

the number of external partner pupils, the commitment of our expert teachers, the depth of collaboration between children and the interaction between teachers from different local schools all represent the practical outworking of our vision for education.

The Alleyn's Academy has become a community learning launchpad, encouraging real collaboration between young people across the local community.

Kingsdale - First class and top of class

Pupils are rightly very proud of their school. They really enjoy their learning and talk with enthusiasm about the school's culture of mutual respect and inclusivity.' Ofsted 2023

Kingsdale is Outstanding in every area (Ofsted 2023) and presents extraordinarily rich opportunities to challenge students of all abilities including providing options to study Latin, economics and psychology. There is also the choice to learn two languages from the start of Year 7 for gifted & talented linguists. Kingsdale attracts many able students and operates a diverse, expansive curriculum to meet the particular needs and aspirations of all of our students and their families. The school offers a wide variety of academic subjects including four or five optional courses selected by each child in addition to co-curricular activities every day.

'Pupils achieve exceptionally well in a wide range of subjects and attain highly at GCSE and A-level.' Ofsted 2023

Kingsdale is rated as a very high performing non-selective school. It has a very impressive track record of being one of the foremost schools, in the locality, for outcomes at Key Stage 5 with some truly outstanding academic results.

Leaders aim to nurture the

talents of pupils through their scholar programmes in mathematics, music, art and sport.' Ofsted 2023

The school has one of the best pupil to teacher ratios of any mainstream secondary school in South London.

'Pupils' behaviour is exemplary... At break times, pupils use the space available to them sensibly. They chat with friends, have lunch together, read or play sports outside.' Ofsted 2023

Subsidised excursions to amazing destinations such as Malaysia, Namibia, Brazil, the USA and the French Alps are an essential element of the school's Trips of a Lifetime programme.

Kingsdale is a dynamic, remarkably popular and progressive school that has invested over £30 million to develop an award-winning educational learning environment.
