1. GoPro HERO9 Camcorder **£379.99**

The HERO9 Black sports GoPro camcorder can produce excellent quality videos and photos. Similar to the classic GoPro's but with an added new front display, a rear touch screen with touch zoom, 30 per cent more battery life and HyperSmooth 3.0 - so you get more of everything you love. You can shoot stunning video with up to 5K resolution, perfect for maintaining serious detail even when zooming in. Packing a new 23.6MP sensor that's an absolute powerhouse, HERO9 Black brings lifelike image sharpness, fluid motion and in-camera horizon leveling that always impresses.

2. Stars Light Projector for babies **£24.99**

Next2 Stars Light Projector is the ideal addition to any nursery. The soothing music and accompanying colourful light display creates the perfect atmosphere to promote sleep, helping your baby to drift off in no time at all. The projector attaches easily to the cot or bedside panel, plays soothing music and gives a colourful light show to help soothe and calm your baby at bedtime.

3. FroliCat Automatic Laser Light **£19.99**

The FroliCat BOLT interactive laser toy provides hours of fun for you and your cat (or dog) and it is completely safe for their eyes. Simply hold the toy in your hand or place it on a flat surface, turn it on and watch your pet pounce, chase and bat at the exciting laser patterns. Pets love the random patterns they can chase across the floor, up the walls and over furniture.
