## 1. Garmin Forerunner 645 Music Smart Watch **£199.99**

With Garmin Forerunner 645 Music, every run is a performance. This GPS running watch stores up to 500 songs and includes Garmin Pay contactless payment solution, so you can leave your phone and wallet at home. Fine-tune your training with wrist-based heart rate, advanced running dynamics and performance monitoring features that evaluate your training and recovery. You can even customise your watch by downloading free watch faces, apps and more from the Connect IQ store and stay linked to what matters with a variety of connected features.

## 2. VTech Kidizoom 5MP Camera **£40**

Your kids can take great photos and videos with this dual lens five megapixel camera by VTech. The two lenses can be swapped at the touch of a button. Add fun effects, stamps and frames to photos and videos, or use the auto-portrait feature to take photos automatically. Record your voice and apply funny effects to it! Features include four times digital zoom, games, voice recorder, wacky photo shaker, photo editor and more.

## 3. Dyson Purifier Hot and Cool Purifier Fan Heater **£549.99**

The Dyson Purifier Hot and Cool Purifier Fan Heater captures dust, allergens and bacteria and its fully-sealed HEPA standard filtration means what goes inside, stays inside. A powerful circulation purifies the whole room with senses and reports to automatically and precisely diagnose, display and react to your air quality. To prevent pollutants leaking back into the air, it's not just the filter that's sealed to HEPA H13 standard, it's the whole purifier.

## 4. Logitech G502 Hero Lightspeed Wireless Gaming Mouse **£129.99**

G502 joins the ranks of the world's most advanced wireless gaming mice with the release of G502 Lightspeed. It is ultra-fast and reliable with performance trusted in competition by esports pros. This mouse also features the next-generation Hero 25K sensor and is powerplay compatible. With this complete advanced technology remastering, this mouse still retains the same beloved shape and achieves a 7-gram weight reduction. Play at lightspeed without limits.
