RAILWAY BRIDGE WORKS

1. NOTICE IS HEREBY GIVEN that, to enable railway bridge maintenance and repair works to be carried out safely, the Council of the London Borough of Lambeth have made an Order the effect of which will be to temporarily ban vehicles from entering the south-east to north-west arm of Carlisle Lane, which lies between Hercules Road and the north to south arm of Carlisle Lane.
2. An alternative route will be available for affected vehicles via Hercules Road, Lambeth Road, Lambeth Bridge, Millbank, Abington Street, St Margaret Street, Parliament Square, Great George Street, Bridge Street, Westminster Bridge Road, Lambeth Palace Road and Royal Street.
3. The road closure will only apply at such times and to such extent as shall be indicated by the placing of the appropriate traffic signs.
4. Whenever the ban on vehicles entering the length of Carlisle Lane described in paragraph 1 above applies the existing one-way traffic system in Carlisle Lane which lies between the south-western kerb-line of Virgil Street and its junction with Hercules Road (towards Virgil Street), will be suspended.
5. The Order will come into force on 8th December 2021 and will continue for a maximum duration of 1 month (to allow for contingencies) or until the works have been completed whichever is the sooner. In practice it is anticipated that the works will be carried out on 8th and 9th December 2021, but if the works cannot be carried out or completed during this time then the Order may have effect at a subsequent time within the maximum period of 1 month.
