

LONDON BOROUGH OF LAMBETH
ROAD TRAFFIC REGULATION ACT 1984 - SECTION 14
TEMPORARY PEDESTRIAN AND VEHICULAR
TRAFFIC AND PARKING RESTRICTIONS -
SOUTHVILLE

1. NOTICE IS HEREBY GIVEN that, to allow footway and carriageway maintenance and improvement works and improvement works to the entrance to Larkhall Park to be carried out safely, the Council of the London Borough of Lambeth propose to make an Order the effect of which would be to temporarily ban pedestrians and vehicles from entering or parking and waiting (including waiting for the purpose of loading or unloading a vehicle) in Southville.

2. The ban on pedestrians entering Southville or Larkhall Park via Southville and the ban on vehicles entering or waiting in Southville would only apply at such times and to such extent as shall be indicated by the placing of the appropriate traffic signs and would not apply to any person or vehicle requiring access to or egress from a property in Southville accessible only from Southville.

3. An alternative route for pedestrians and cyclists requiring access to Larkhall Park would be available via Wandsworth Road and Courland Street and vice versa.

4. An alternative route for motor vehicles is not applicable as Southville is a no through road.

5. The Order would come into force on 31st January 2022 and continue for 3 months, or until the works have been completed whichever is the sooner. In practice it is anticipated that the Order would only have effect from 31st January 2022 for approximately 6 weeks, but if the works cannot be carried out or completed during that time, then the Order may have effect at other times within the maximum duration of 3 months.

Dated 14th January 2022
