Inquiry Attendance Information

To help the technology and logistics run smoothly, this event will be run with those parties who register an interest to speak, in particular the parties who wish to take an active part in the proceedings and/or who have previously made objections or representations about the application.

Before deciding whether to take part in the Inquiry, you need to think carefully about the points you wish to make. All written submissions will be taken into account by the Inspector and re-stating the same points will not add any additional weight to them.

If you wish to take an active part in the proceedings, please make clear in your response whether you wish only to appear at the Inquiry and make a statement, or whether you would also wish to ask questions of those who are presenting an alternative view.

If you wish to take an active part but feel unable to for any reason, and/or the points you want to make are not covered in the evidence of others, consider whether someone else could raise them on your behalf.

The Inquiry will be live streamed for those who wish to watch but not to take an active part.

To register an interest to speak or to receive live streaming details please contact Events@lambeth.gov.uk or call 0207 926 6207.
